Docket No. 2001-8 CARP CD 98-99

**PROGRAM SUPPLIERS' MOTION FOR ACCEPTANCE
OF DEMONSTRATIVE EXHIBITS**

Program Suppliers hereby move the Copyright Arbitration Royalty Panel in the above captioned case to accept, as demonstrative exhibits, the attached documents labeled PS Demo 15 and PS Demo 28 that Program Suppliers intended to move into the record.

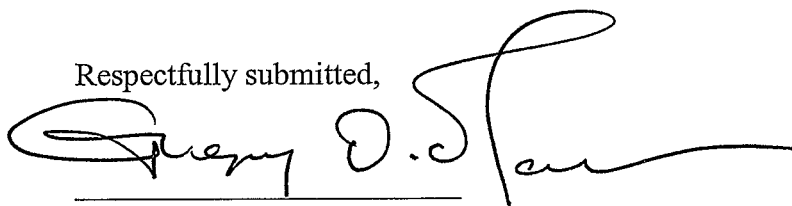

On May 28, 2003, during the cross-examination of Canadian witness Debra Ringold, counsel for Program Suppliers wrote certain figures on the copy board, printed them out and marked them as "PS Demo 15", but apparently did not move them into the record as intended. See Ringold Transcript, at 5833 to 5835. No objections to this exhibit were made at the hearing.

Similarly, on June 10, 2003, Program Suppliers' witness Arthur Gruen wrote certain calculations on the copy board and printed them out, but they were not admitted into the record as intended. See Gruen Transcript, at 7790 to 7795. No objections to these calculations were made at the hearing. Program Suppliers request that Dr. Gruen's calculations be marked as PS Demo 28.

As the CARP liberally admitted demonstration exhibits into the record during the hearing phase, Program Suppliers request that the same treatment be afforded to PS Demo 15 and PS

Demo 28. Admitting these demonstrative exhibits will help clarify the record with respect to the testimony of both Dr. Ringold and Dr. Gruen and will not prejudice any of the parties.

Respectfully submitted,
